You have been referred to us for an initial periodontal / implant evaluation.

We are committed to offering our patients the highest quality of care. We will work closely with your referring doctor to ensure that we meet all of your individual needs. When you call to schedule your consultation, you will receive further information on what to expect during your first visit. We're looking forward to meeting you.

Find us at www.periodontalmedicine.org, your complete online resource for information on periodontal diseases, implants, and related issues. We offer dental implants, immediate teeth solutions, gum disease treatment, accelerated orthodontics, oral surgery, 3D digital imaging, tissue engineering, and other solutions. Please visit our website to learn more.
