

*Curriculum Vitae*

# GEORGE A. MANDELARIS, DDS, MS, FACD, FICD

## PERIODONTIST

gmandelaris@periodontalmedicine.org | www.periodontalmedicine.org  
 P: (630) 627-3930 | F: (630) 627-2148

### Office Addresses

2300 Lehigh Avenue  
 Suite 210  
 Glenview, IL 60026

18224 Summit Avenue  
 Suite 205  
 Oakbrook Terrace, IL 60181

## PERSONAL INFORMATION

### EDUCATION

<b>Undergraduate</b>	September 1989 – May 1992	University of Michigan; College of Literature, Science and Arts (Ann Arbor, Michigan) Major: Biology
<b>Dental Education</b>	September 1992 – May 1996	University of Michigan, School of Dentistry (Ann Arbor, Michigan) Awarded Doctor of Dental Surgery (DDS) Degree
<b>Externships</b>	December 23, 1994 – January 2, 1995	Two-week Hospital Dentistry Extern at the University of Michigan Hospitals, Department of Hospital Dentistry (Ann Arbor, Michigan)
	May 15–26, 1995	Two-week Graduate Periodontal Residency Extern at Northwestern University Dental School, Department of Graduate Periodontics (Chicago, Illinois)
<b>Residency</b>	July 1996 – June 1999	University of Louisville, School of Dentistry (Louisville, Kentucky) Awarded Specialty Certificate in Periodontics and Master of Science (MS) Degree in Oral Biology
<b>Other</b>	September 1996	NorthEast Regional Board of Dental Examiners (NERB)
	July 1999	NorthEast Regional Specialty Board (NERB) Examination in Periodontology

## PROFESSIONAL EXPERIENCE

### PRIVATE PRACTICE

2010 – Present	Senior Partner. Periodontal Medicine & Surgical Specialists, LLC (Glenview and Oakbrook Terrace, Illinois)
May 2005 – 2010	Full partner. Rosenfeld and Mandelaris, LTD (Park Ridge and Oakbrook Terrace, Illinois)
October 1, 2000 – May 2005	Associate Periodontist. Rosenfeld and Associates (Park Ridge and Oakbrook Terrace, Illinois)
December 1999 – September 2000	Associate Periodontist. Benson C. Duff, DDS, MS, MS, PC (Grand Blanc, Michigan)
December 1999 – September 2000	Associate Periodontist. Dental Specialty Center of Grand Blanc (Grand Blanc, Michigan)

## GEORGE A. MANDELARIS, DDS, MS

### ACADEMIC APPOINTMENTS

November 1, 2016 – Present	Adjunct Clinical Assistant Professor. Department of Periodontics and Oral Medicine, University of Michigan, School of Dentistry (Ann Arbor, Michigan)
2014 – Present	Clinical Assistant Professor. Department of Graduate Periodontics, University of Illinois, College of Dentistry (Chicago, Illinois)
2013 – 2015	Assistant Clinical Professor. Department of Oral and Maxillofacial Surgery, Louisiana State University, School of Dentistry (New Orleans, Louisiana)
June 2000 – August 2000	Clinical Assistant Instructor. University of Michigan, School of Dentistry, Department of Periodontics/Prevention/Geriatrics (Ann Arbor, Michigan)

### HOSPITAL APPOINTMENTS

June 2001 – March 2022	Associate Medical Staff. Department of Surgery, Division of Dentistry, Advocate Lutheran General Hospital (Park Ridge, Illinois)
2008 – 2010	Attending Staff. Head and Neck Oncology Team, Advocate Lutheran General Hospital Cancer Center (Park Ridge, Illinois)

### OTHER

September 1994 – May 1996	Work-study program. University of Michigan, School of Dentistry, Graduate Periodontics Department
Summers 1993 and 1994	Surgical and Research Assistant for faculty and graduate students. Graduate Periodontics/Periodontal Surgery Clinic at the University of Michigan, School of Dentistry
April 1992 – August 1992	Dental Assistant. Richard Mandelaris, DMD, Pediatric Dentistry (Davis, California)
September 1991 – April 1993	Dental Assistant. Dr. James Berg, General Dentistry (Ypsilanti, Michigan)
February 1990 – August 1991	Dental Assistant. Mark W. Adams, DDS, MS, Prosthodontist (Flint, Michigan)

## LICENSURE

### DENTAL LICENSURE

March 1999 – Present	State of Illinois Dental License #19-024971
November 1999 – 2003	State of Michigan Dental License
June 1996 – 2002	Commonwealth of Kentucky Dental License

### PERIODONTAL SPECIALTY LICENSURE

August 1999 – Present	State of Illinois Specialty License in Periodontology #021-001938
February 2000 – 2003	State of Michigan Specialty License in Periodontology

## GEORGE A. MANDELARIS, DDS, MS

July 1, 2013 – Restricted License (No. P-142) as Assistant Clinical Professor; Department of Oral & Maxillofacial Surgery, Louisiana State University, School of Dentistry (New Orleans, Louisiana), Louisiana State Board of Dentistry  
 July 1, 2015

### CERTIFICATION

May 2000 – Present Board Certified in Periodontology and Dental Implant Surgery  
 Diplomate, American Board of Periodontology and Dental Implant Surgery (No. 1547)  
 Date of Certification: May 2000  
 Date of Re-certification: 12/2003, 12/2006, 12/2009, 12/2015, 12/2021

July 1997 – Present Advanced Cardiac Life Support (ACLS) Certification

October 1996 – 1999 Institute for Laser Dentistry Certification (Category II)

July 1992 – Present Basic Cardiac Life Support (BCLS) Certification

## RESEARCH AND SCHOLARLY ACTIVITIES

### PUBLICATIONS

#### Original Publications in Refereed Journals

1. Avila-Ortiz, G., Ambruster, J., Barootchi, S., Chambrone, L., Chen, C.Y., Dixon, D., Geisinger, M., Giannobile, W.V., Goss, K., Gunsolley, J., Heard, R.H., Kim, D., **Mandelaris, G.A.**, Monje, A., Nevins, M.L., Palaiologou-Gallis, A., Rosen, P.S., Scheyer, E.T., Suarez-Lopez del Amo, F., Tavelli, L., Velasquez, D., Wang H.L., Mealey B.L. American Academy of Periodontology Best Evidence Consensus Statement on the Use of Biologics in Clinical Practice. 2022; Accepted to *J Periodontol*
2. Culp L, **Mandelaris G.** (2022) Digital workflows: A digital process for guided bone regeneration. Accepted for publication to *J Prothet Dent* (digital)

11. **Mandelaris, G.A.**, O’Neal, R.B., MacNeil, R.L., Shyr, Y., Wang, H.L. (November 5, 1995). *An evaluation of ultrasonic scalers in periodontal maintenance therapy* [Selected for poster presentation]. Annual University of Michigan - Ohio State University Dental Student Research Duel.

### Reviewing (Journal) Activities

March 2021	<b>Editorial Consultant.</b> <i>International Journal of Periodontics and Restorative Dentistry</i>
2011 – Present	<b>Ad hoc reviewer.</b> <i>International Journal of Periodontics and Restorative Dentistry</i>
2008 – Present	<b>Ad hoc reviewer.</b> <i>International Journal of Oral and Maxillofacial Implants</i>
2007 – Present	<b>Ad hoc reviewer.</b> <i>Journal of Periodontology</i>

### RESEARCH

2021 – Present	Prospective, Multicenter, Non-randomized, Controlled Clinical Study Utilizing Non-Guided vs. Guided Surgery to Immediately Loaded PrimeTaper Implants in Partially Edentulous Patient. Sponsored by Dentsply/Sirona and in conjunction with the McGuire Institute for practice-based research.
----------------	--

## GEORGE A. MANDELARIS, DDS, MS

- March 2011 – 2017      Clinical analysis of a biomimetic implant system. 5-year survival rates, marginal bone-level changes, and soft tissue esthetics. A Multi-center Single Arm Prospective Study on the Genesis Dental Implant system, Keystone Dental, Inc.
- December 2013 – 2016      Mandelaris, G.A. (2016). A prospective, randomized, controlled, multi-center study with direct measure and histological evaluation comparing Geistlich Bio-Oss Collagen® + Geistlich Bio-Gide® and Oragraft DGC® + BioMend Extend® for posterior buccal dehiscence extraction site ridge preservation. *J Clin Periodontol*, 43, 1188-1199.
- October 2011 – October 2013      A post-market clinical, radiographic and histologic evaluation of demineralized freeze-dried bone allograft in extraction socket procedures. Accell Connexus, Keystone Dental, Inc.
- September 1996 – June 1999      Masters Thesis: “The Effect of a Dilute Hydrogen Peroxide Mouthrinse as a Subgingival Lavage During Supportive Periodontal Maintenance Therapy. A 12 Month Clinical and Microbiological Investigation.”  
Thesis Director: Henry Greenwell, DDS, JD, MSD
- March 1995 – May 1996      1995 American Association for Dental Research Student Research Fellowship recipient to conduct research project: “Comparison Between Modified Ultrasonic Tips, Diamond Bur to Hand Instrumentation in Furcation Molars: An In Vitro Study.”  
Mentor: Hom-Lay Wang, DDS, PhD
- Winters 1995 and 1996      One of 9 University of Michigan dental students selected to participate in Dental Student Research Elective course (a seminar and laboratory course offered to students actively involved in research projects)
- Summer 1994      University of Michigan Student Research Group Fellowship Recipient to conduct research project: “Comparative Analysis Between Different Ultrasonic Scaler Tips to the Hand Instrumentation Based on Clinical Parameters of Periodontal Disease.”  
Mentor: Robert O’Neal, DDS
- Summer 1993      Research Assistant for the study: “The Effect of Low Dosage Doxycycline in Patients with Periodontitis.” University of Michigan, School of Dentistry, Department of Graduate Periodontics.  
Mentor: Robert O’Neal, DDS
- Summer 1993      Research Assistant for the study: “Molecular Regulation of the Parathyroid Hormone Receptor.” University of Michigan, School of Dentistry, Department of Periodontics/Prevention/Geriatrics.  
Mentor: Laurie K. McCauley, DDS, PhD

## LEADERSHIP AND SERVICE IN PROFESSIONAL ORGANIZATIONS

- 2022 – 2025      District 4 Trustee. American Academy of Periodontology Board of Trustees.
- 2022 - 2024      Best Evidence Consensus Advisory Working Group. American Academy of Periodontology.
- 2022 – 2023      Vice President. International Computer Aided Implantology Academy
- 2022 – 2024      Clinical Innovations Committee. Academy of Osseointegration
- 2020 – 2022      Council Member. American Academy of Restorative Dentistry
- 2021 – 2023      AAP Foundation Selection Committee. The Dr. Colin Richman and Family Perio-Ortho Interface Award
- 2018 – 2019      Committee Member. Scientific Oversight Committee, American Academy of Periodontology
- 2016 – 2017      Co-Chairman. Best-Evidence Consensus workshop on CBCT imaging in Periodontics commissioned by the American Academy of Periodontology

## GEORGE A. MANDELARIS, DDS, MS

2015	Ad Hoc Committee Member. Associate Membership of the American Academy of Oral and Maxillofacial Radiologists (AAOMR)
2013 – 2014	Immediate Past President. Illinois Society of Periodontists
2012 – 2014	Committee Member and Subcommittee Member. American Academy of Periodontology Leadership Development and Qualifications
2012 – 2013	President. Illinois Society of Periodontists
2011 – 2012	President-Elect. Illinois Society of Periodontists
2009 – 2011	Secretary/Treasurer. Illinois Society of Periodontists
2009 – 2010	Committee Member. American Academy of Periodontology Continuing Education and Oversight Committee
2009	Committee Member. American Academy of Periodontology Practice Management and Marketing Committee
2008 – 2010	Taaron Regeneration Scholarship Selection Committee. American Academy of Periodontology Foundation
2008 – 2009	Donor Recognition Task Force. American Academy of Periodontology Foundation
2006	President. Hellenic American Dental Society (HADS)
2006	Program Chairperson. Midwest Society of Periodontology
2005	Graduate Research Forum Chairperson. Midwest Society of Periodontology
2001 – 2009	Membership & Registration Committee. Midwest Society of Periodontology
November 2002 – November 2003	Secretary/Treasurer and Executive Committee Member. Hellenic American Dental Society
September 1995	Moderator/Session Assistant. The American Academy of Periodontology 81 <sup>st</sup> Annual Meeting (New York, New York)
January – September 1994	Student Delegate. 1994 House of Delegates for the University of Michigan, School of Dentistry to the Michigan Dental Association
March 1994	Class Representative. University of Michigan, School of Dentistry at the American Student Dental Association Annual Quad-Regional Session, held at Medical University of South Carolina (Charleston, South Carolina)
April 1993 – September 1994	Class Delegate. American Student Dental Association for the University of Michigan School of Dentistry (Ann Arbor, Michigan)
February 1994	Chairman. 1994 American Student Dental Association Midwest Winter Exhibitor's Day Forum, held at the University of Michigan School of Dentistry (Ann Arbor, Michigan)
February 1994	Co-Chairman. American Student Dental Association Region 6 Annual Session (sponsored by the University of Michigan School of Dentistry ASDA chapter)
November 1993	Alternate Delegate. American Student Dental Association representing the University of Michigan School of Dentistry at the Annual Regional Session (Detroit, Michigan)
September 1993	Class Representative. University of Michigan School of Dentistry. American Student Dental Association's Annual Session (San Antonio, Texas)

## GEORGE A. MANDELARIS, DDS, MS

1992 – 1993

Class Representative. American Student Dental Association for the University of Michigan School of Dentistry graduating class of 1996

### INVITED LECTURES

#### INTERNATIONAL

*Invited lectures given outside the United States, or given to international organizations.*

- June 10, 2022 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary and facially prioritized approach* [Advances in Adult Orthodontic Treatment with a Multi-Specialty Approach session]. 14<sup>th</sup> International Symposium on Periodontics and Restorative Dentistry. Boston, Massachusetts.
- September 12, 2020 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* 2020 Manitoba Dental Association Annual Symposium, virtual presentation.
- January 18, 2019 *Surgically facilitated orthodontic therapy. An interdisciplinary approach* [Keynote presentation]. Niagara Peninsula Dental Association, St Catherine's, Ontario, Canada.
- October 29, 2018 *The state of dynamic navigation technology and workflow* [Focused CE course]. 104<sup>th</sup> Annual Meeting of the American Academy of Periodontology Annual Session, Vancouver, British Columbia, Canada.
- September 26, 2018 *Surgically facilitated orthodontic therapy (SFOT). Optimizing dentoalveolar bone and space appropriation for facially-prioritized interdisciplinary dentofacial therapy* [Main podium presentation]. The gIDE Annual Global Symposium, Santa Monica, California.
- June 18, 2016 *Dentoalveolar and alveoloskeletal bone tissue engineering: expanding the limits and reversing the risks* [Main podium presentation]. 12<sup>th</sup> International Symposium on Periodontics and Restorative Dentistry presented by the Quintessence International Publishing Group, Boston, Massachusetts.
- April 29, 2016 *Dentoalveolar and alveoloskeletal bone tissue engineering: expanding the limits and reversing the risks* [Main podium presentation]. 2016 Scientific Session of the American Academy of Cosmetic Dentistry, Toronto, Ontario, Canada.
- April 18, 2015 *The digital treatment workflow utilizing SimPlant planning software* [Main podium presentation]. BioHorizons 2015 Global Symposium, Los Angeles, California.
- June 19, 2014 *CBCT and software directed oral and facial reconstruction* [Main podium presentation with Dr. Dan Spagnoli]. 2014 Dental XP Global Symposium, Hollywood, Florida.
- April 19, 2012 *Clinical myths and realities of computer guided implant therapy.* International Congress of Oral Implantologists (ICOI) Spring Symposium, Toronto, Ontario, Canada.
- May 31, 2008 *Sinus floor augmentation in the atrophic maxilla: A novel approach using guided surgery with and without simultaneous implant placement.* 2008 Materialise SimPlant Academy World Conference, Vienna, Austria.
- April 24, 2008 *CT guidance technology.* [All day lecture]. Biomet 3i Global Symposium, Chicago, Illinois.
- June 1–2, 2007 *Collaborative accountability. The philosophical mantra for prosthetically directed implant therapy.* Materialise World Symposium, Washington, DC.
- November 5, 2005 *The evolution of collaborative accountability and the achievement of predictable implant supported prosthetic outcomes* [Co-presentation with Dr. Dennis Hartlieb]. 2005 Materialise World Symposium, Chicago, Illinois.

## GEORGE A. MANDELARIS, DDS, MS

### NATIONAL

*Invited lectures given at annual sessions/symposiums/congresses for nationally recognized academies/associations.*

- APRIL 27, 2023 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* Annual Spear Institute Summit. Scottsdale, AZ, USA
- February 24, 2023 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* 2022 Annual Symposium of the Academy of Operative Dentistry, Chicago, Illinois.
- February 21, 2021 *Digital revolution in periodontal and implant treatment.* 2021 Annual Symposium of the Academy of Operative Dentistry, virtual presentation.
- November 18, 2020 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* 2021 American Equilibration Society Annual Symposium, virtual presentation.
- April 20, 2020 *Surgically facilitated orthodontic therapy (SFOT)* [Main podium presentation]. National Osteology Symposium USA, virtual presentation.
- November 9, 2019 *Digital revolution in periodontal and implant treatment* [Main podium presentation]. 2019 Carestream Dental Oral Health Summit, Nashville, Tennessee.
- November 3, 2019 *Bringing niche skillsets to the collaborative dental team* [Main podium presentation on Interdisciplinary Dentofacial Therapy]. The American Academy of Periodontology 105<sup>th</sup> Annual Meeting, Chicago, Illinois.
- October 20, 2019 *Digital revolution in periodontal and implant treatment* [Main podium presentation]. New York University School of Dentistry. Full Mouth Rehabilitation: Occlusion, Esthetics & Implants, New York, New York.
- April 26, 2019 *Advanced periodontal surgery and the role of the dentist anesthesiologist.* 2019 Annual Scientific Session of the American Society of Dentist Anesthesiologists, Chicago, Illinois.
- February 23, 2019 *Dynamic surgical navigation for dental implant surgery* [Clinic program]. American Academy of Restorative Dentistry 2019 Annual Session, Chicago, Illinois.
- August 3, 2018 *Surgically facilitated orthodontic therapy (SFOT). Optimizing dentoalveolar bone and space appropriation for facially-prioritized interdisciplinary dentofacial therapy* [Main podium presentation with Dr. Brian Vence]. The American Academy of Esthetic Dentistry Annual Session, Rancho Palos Verdes, California.
- June 16, 2018 *Digital revolution in periodontal and implant treatment.* The 12<sup>th</sup> Ramfjord Symposium at The University of Michigan, School of Dentistry, Ann Arbor, Michigan.
- February 28, 2018 *Dynamic surgical navigation from a periodontist's perspective* [Corporate Forum lecture]. Navident. Academy of Osseointegration 2018 Annual Session, Los Angeles, California.
- May 19, 2017 *Surgically facilitated orthodontic therapy for space appropriation to optimize oral cavity volume. Is there an influence on the airway?* American Thoracic Society 2017 Annual Meeting, Oral Appliance Therapy & Related Topics in Dental Sleep Medicine, Washington, DC.
- September 13, 2016 *Imaging from a periodontist's perspective* [Focused CE session]. 2016 American Academy of Periodontology's Annual Session, San Diego, California.
- September 11, 2016 *Surgically facilitated orthodontic treatment: expanded indications* [Main podium presentation]. 2016 American Academy of Periodontology's Annual Session, San Diego, California.

## GEORGE A. MANDELARIS, DDS, MS

- January 27, 2016 *Surgically facilitated orthodontic therapy* [Main podium presentation]. 2016 Seattle Study Club Symposium, Kona, Hawaii.
- October 2, 2015 *Imaging from a periodontist's perspective* [Main podium presentation]. 66<sup>th</sup> Scientific Meeting of the American Association of Oral and Maxillofacial Radiology, Indianapolis, Indiana.
- June 13, 2015 *Tissue engineering for bone reconstruction in implant site development* [Main podium presentation]. 2015 Central and Western District Annual Meeting of the American Academy of Implant Dentistry, Chicago, Illinois.
- February 28, 2015 *Tissue engineering for bone reconstruction in implant site development* [Main podium presentation for the essay program]. 2015 Annual Meeting of the American Academy of Restorative Dentistry, Chicago, Illinois.
- February 26, 2015 *Imaging from a periodontist's perspective* [Main podium presentation]. 60<sup>th</sup> Scientific Meeting of the American Equilibration Society–Interdisciplinary Dentistry in the 21<sup>st</sup> Century, Chicago, Illinois.
- February 23, 2015 *Surgically facilitated orthodontic therapy. The next frontier in interdisciplinary dentofacial therapy* [Guest lecture]. 32<sup>nd</sup> Annual International Interdisciplinary Dental Conference, Telluride, Colorado.
- September 20, 2014 *Bone graft overview* [BioHorizons and Medtronic Biologics Partner dinner lecture]. American Academy of Periodontology Annual Session, San Francisco, California.
- April 26, 2013 *Dental implants–collaboration in the 4<sup>th</sup> dimension*. Jack Kent Oral and Maxillofacial Surgery Foundation sponsored “Oral and Maxillofacial Surgery Pearls II,” New Orleans, Louisiana.
- February 8, 2013 *Imaging from the periodontist's perspective* [Main podium presentation]. A Collaborative Approach for Today's Patient–Orthodontists and Periodontists Working Together, American Association of Orthodontists – American Academy of Periodontology (AAO-AAP) Joint Winter Conference, Palm Desert, California.
- October 2, 2012 *Enhancing esthetic and functional restorative outcomes through interdisciplinary therapy* [General session, main podium presentation with Drs. Brian Vence and David Forbes]. American Academy of Periodontology's 98<sup>th</sup> Annual Meeting, Los Angeles, California.
- March 10, 2012 *Treatment planning in the 4<sup>th</sup> dimension. The emerging specialty specific CBCT for the periodontist*. Carestream Dental 2012 3D symposium, Atlanta, Georgia.
- November 14, 2011 *Clinical myths and realities of CT guided implant therapy* [Continuing Education session]. 98<sup>th</sup> Annual American Academy of Periodontology Meeting, Miami, Florida.
- November 13, 2011 *Alternative applications of guided surgery in antral sinus bone grafting* [Innovations in Periodontics session]. 98<sup>th</sup> Annual American Academy of Periodontology Meeting, Miami, Florida.
- November 12, 2011 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics* [Two separate presentations at the Carestream Dental Corporate Forum]. 98<sup>th</sup> Annual American Academy of Periodontology Meeting, Miami, Florida.
- September 13, 2009 *A private practice based clinical research network to evaluate the functional and esthetic outcomes of immediate provisionalization of implants placed into fresh extraction sites* [Innovations in Periodontics session]. 95<sup>th</sup> Annual Session of American Academy of Periodontology, Boston, Massachusetts.

## GEORGE A. MANDELARIS, DDS, MS

- March 1, 2009 *Is restorative leadership a myth? How to ensure collaborative accountability using computer guided implantology.* Presented to the American Academy of Restorative Dentistry, Chicago, Illinois.
- September 15, 2006 *Computer guided implantology* [Presented with Dr. Alan Rosenfeld on behalf of Materialise Dental]. Selected to participate in “The Next Big Ideas: Emerging Technologies and Rising Stars in Periodontology” sponsored by The Avenues Company held in conjunction with the 92<sup>nd</sup> annual meeting of the American Academy of Periodontology, San Diego, California.

### REGIONAL

*Invited lectures given at meetings on behalf of regional academies/associations/societies.*

- February 21, 2020 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* Chicago Midwinter Meeting, Chicago, Illinois.
- February 25, 2017 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach* [All day presentation with Dr. Brian Vence]. Midwest Society of Periodontology, Chicago, Illinois.
- January 24, 2014 *Imaging from a periodontist’s perspective and Collaboration in the 4<sup>th</sup> dimension with CT guided implantology.* Southern Academy of Periodontology, Atlanta, Georgia.
- November 2, 2012 *Limitations and potential for technological surgical placement of implants* [Presented with Dr. Alan Rosenfeld]. NorthEast Society of Periodontists Fall Meeting, New York, New York.
- February 25, 2012 *Periodontology in the 4<sup>th</sup> dimension. Collaborative accountability and restorative leadership biologic shaping for natural teeth. Contemporary periodontology and implant surgery.* Chicago Dental Societies Midwinter Meeting on behalf of the Illinois Society of Periodontists, Chicago, Illinois.
- February 28, 2009 *Collaborative accountability and the art of computer guided implantology.* Presented to the Chicago Dental Societies Midwinter Meeting on behalf of the Illinois Society of Periodontists, Chicago, Illinois.
- February 27, 2009 *Principles of computer guided implantology* [All day presentation]. 2009 Midwest Society of Periodontology’s Annual Session, Chicago, Illinois.

### STATE

*Invited lectures given at meetings on behalf of statewide academies/associations/societies or local educational groups outside the metropolitan Chicagoland area..*

- March 26, 2022 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* Joint meeting of the Virginia Society of Periodontists (VSOP) and the Virginia Association of Orthodontists (VAO), Williamsburg, Virginia.
- May 19, 2018 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach* [Half day and keynote presentation]. California Society of Periodontists, Yosemite, California.
- January 12, 2018 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach* [All day presentation]. USAF Periodontics Residency, Air Force Postgraduate Dental School, San Antonio-Lackland, Texas.

## GEORGE A. MANDELARIS, DDS, MS

- October 21, 2017 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach.* Metz Center for Sleep Dentistry Ten Year Anniversary Consensus, Columbus, Ohio.
- September 23, 2017 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach* [All day presentation]. Florida Academy of Cosmetic Dentists, Orlando, Florida.
- January 13, 2017 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach* [All day presentation]. Milwaukee Dental Forum, Milwaukee, Wisconsin.
- November 4, 2016 *Surgically facilitated orthodontic therapy SFOT). An interdisciplinary approach* [Half day lecture]. University of Michigan, School of Dentistry, Department of Graduate Periodontics, Ann Arbor, Michigan.
- January 22, 2016 *Imaging from a periodontist's perspective* [All day lecture]. Fairfield County Dental Club, Fairfield, Connecticut.
- January 9, 2016 *Imaging from a periodontist's perspective* [Guest lecture]. University of Texas Health Science Center–San Antonio, Department of Graduate Periodontics, San Antonio, Texas.
- September 24, 2015 *Imaging from a periodontist's perspective* [All day lecture]. Department of Graduate Periodontics, University of Louisville, School of Dentistry, Louisville, Kentucky.
- October 28, 2014 *Imaging from the periodontist's perspective* [Guest lecture]. 2014 Harvard School of Dental Medicine Continuing Education Symposium: A Comprehensive Approach to Implant Therapy, Boston, Massachusetts.
- October 17, 2014 *Surgically facilitated orthodontic therapy. The next frontier in interdisciplinary dentofacial therapy.* Seattle Study Club of Dr. Michael Cohen, Seattle, Washington.
- October 9, 2014 *Surgically facilitated orthodontic therapy. The next frontier in interdisciplinary dentofacial therapy* [Guest lecture]. Departments of Graduate Orthodontics and Graduate Periodontics at the University of Pennsylvania, School of Dental Medicine, Philadelphia, Pennsylvania.
- May 31, 2013 *Imaging from a periodontist's perspective and Collaboration in the 4<sup>th</sup> dimension.* University of Michigan, School of Dentistry, Department of Graduate Periodontics, Ann Arbor, Michigan.
- January 26, 2013 *Collaboration in the 4<sup>th</sup> dimension* [Presented on behalf of the Department of Oral and Maxillofacial Surgery]. LSU School of Dentistry Graduate Departments. New Orleans, Louisiana.
- September 13–14, 2012 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics.* Seattle Study of Atlanta and the ITI study club of Atlanta, Atlanta, Georgia.
- May 17, 2012 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics.* Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists, Milwaukee, Wisconsin.
- April 7, 2012 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics.* Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. Houston, Texas.
- April 7, 2012 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics.* Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists, Seattle, Washington.
- February 18, 2012 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics.* Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists, Brooklyn, New York.

## GEORGE A. MANDELARIS, DDS, MS

- October 12, 2011 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics* [Evening presentation]. Presented on behalf of the Carestream Dental Educational Initiative to Periodontists, Pikesville, Maryland.
- October 1, 2011 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics* [Half day presentation]. Presented on behalf of the Carestream Dental Educational Initiative to Periodontists, Teaneck, New Jersey.
- September 10, 2011 *Treatment planning in the 4<sup>th</sup> dimension. The era of CBCT imaging in periodontics* [Half day presentation]. Presented on behalf of the Carestream Dental Educational Initiative to Periodontists, Washington, DC.
- February 2, 2010 *Principles of computer guided implantology* [Evening presentation]. Oral and Maxillofacial Practice of Dr. Nader Moavenian, Nashua, New Hampshire.
- December 12, 2009 *Principles of computer guided implantology. Level I* [All day lecture]. SimPlant Academy, Portland, Oregon.
- April 17, 2009 *Principles of computer guided implantology* [All day lecture]. Dawson-Pankey Study Club of DuPage County, Downers Grove, Illinois.
- November 13–14, 2008 *Collaborative accountability and the art of guided implantology*. Premiere Study Club and Master's Study Club, Seattle, Washington.
- May 16, 2008 *Collaborative accountability and the art of guided implantology*. Presented on behalf of RDH Health Services, Troy, Michigan.
- May 15, 2008 *Collaborative accountability and the art of guided implantology*. University of Michigan, School of Dentistry, Graduate Periodontal Residents, Ann Arbor, Michigan.
- April 30, 2008 *Reaching the next level with computer guided implantology*. Connecticut Society of Periodontists Annual Spring Meeting entitled "Rising Stars in Periodontics," Cromwell, Connecticut.
- April 11–12, 2008 *Clinical applications in computer guided implantology* [Two-day lecture]. Presented to beginner and advanced SimPlant users, Seattle, Washington.
- August 24–25, 2007 *Clinical applications in computer guided implantology* [Two-day lecture]. Presented to advanced SimPlant users, Lisle, Illinois.
- February 9, 2007 *Computer guided implantology level one training course*. Sponsored by Materialise Dental USA, Dallas, Texas.
- November 3–4, 2006 *Computer guided implantology* [Level One training course]. Sponsored by Drs. Michael McGuire and E. Todd Scheyer; sponsored by Materialise Dental USA and Implant Innovations (3i), Houston, Texas.
- April 14, 2006 *A collaborative strategy to immediate loading of dental implants*. University of Louisville, Graduate Periodontal Residency Program, Louisville, Kentucky.
- November 17, 2005 *The new era of implantology. The use of 3D imaging, stereolithographic modeling and surgical guides to deliver prosthetically directed treatment outcomes*. Study Club of Drs. Michael McGuire and E. Todd Scheyer, Houston, Texas.
- May 4, 2005 *The new era of implantology. The use of 3D imaging, stereolithographic modeling and surgical guides to deliver prosthetically directed treatment outcomes*. Computer Guided Implantology Seminar with SimPlant Training; Co-sponsored by Facial Imaging, Rocky Hill, Connecticut.

## GEORGE A. MANDELARIS, DDS, MS

### LOCAL

*Invited lectures given at meetings held within the Chicagoland area for study clubs or local societies/organizations.*

- May 19, 2018 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach.* Half day presentation on behalf of Dr Yan Razdolsky and Forever Smiles, Schaumburg, Illinois.
- April 24, 2018 *Surgically facilitated orthodontic therapy (SFOT). An interdisciplinary approach* [Evening presentation]. Polish Dental Society of Chicago, Westchester, Illinois.
- October 6, 2015 *Tissue engineering for bone reconstruction in implant site development.* North Michigan Avenue Study Club, Chicago, Illinois.
- December 4, 2014 *Surgically facilitated orthodontic therapy. The next frontier in interdisciplinary dentofacial therapy* [Guest lecture]. Departments of Graduate Orthodontics and Graduate Periodontics at the University of Illinois, College of Dentistry, Chicago, Illinois.
- September 18, 2012 *Surgically facilitated orthodontic therapy. A game changer for interdisciplinary dentofacial therapy.* Chicago Dental Forum, Chicago, Illinois.
- February 27, 2012 *Periodontology in the 4<sup>th</sup> dimension. Collaborative accountability and restorative leadership* [Evening presentation]. Department of Oral and Maxillofacial Surgery, Loyola University, Strich School of Medicine, Maywood, Illinois.
- November 3, 2011 *Clinical myths and realities of computer applications for implant and periodontal diagnosis and surgery.* Dawson-Pankey Study Club of Dupage County, Darien, Illinois.
- May 12, 2010 *Principles of computer guided implantology* [Half day presentation]. Periodontal and Implant Practice of Dr. David Cohen, Crystal Lake, Illinois.
- March 17, 2009 *Is restorative leadership a myth? How to ensure collaborative accountability using computer guided implantology.* Fox River Valley Dental Society, Geneva, Illinois.
- October 24, 2007 *Computer guided implantology and the evolution of collaborative accountability.* Dawson-Pankey Study Club of Dupage County, Downers Grove, Illinois.
- January 17, 2006 *A collaborative strategy to immediate loading of dental implants.* Wheaton Dental Society Study Club, Wheaton, Illinois.
- September 21, 2004 *Collaborative accountability: management of diagnostic information, planning and execution of minimally invasive implant installation in the esthetic zone. Absolute anchorage for orthodontic therapy.* Chicago Academy of Dental Research, Chicago, Illinois.
- June 3, 2004 *The relationship between pre-term low birth weight and inflammatory periodontitis* [Ob/Gyn M&M grand rounds presenter]. Lutheran General Hospital, Park Ridge, Illinois.
- November 2003 *Dental management of the cancer patient. Protocol for patient management.* Lutheran General Hospital, Park Ridge, Illinois.
- September 16, 2003 *Management of diagnostic information in the development of an anterior esthetic prosthetically directed implant restoration* [Guest presentation]. Chicago Dental Forum Study Club, Chicago, Illinois.

## HONORS, AWARDS, AND DISTINCTIONS

- August 10–12, 2022 **Expert Participant.** Academy of Osseointegration Summit on “Controversial Trends or Long-term Results for Individual Patient Outcome.” Section on Flapless and Guided Surgery (Oakbrook Terrace, Illinois)
